Other announcements

- Updates to the CGN website (<https://canadianglaciology.wixsite.com/mysite>), including a "News" page featuring Canadian glaciology stories in the news and links to relevant climate/glacier reports (e.g. the State of the Mountains Report)
 - Please email kmr18@sfu.ca if you'd like any news stories or reports added to this page

- It was suggested that we should also have an announcements page, with conference dates, funding deadlines, etc.
- Laura/Wes to look into IGS branch status for the CGN
- CGN members meeting at NWG?

Next planning meeting ~ late October, next full meeting ~late November.
